

SERIES OVERVIEW

Even If

For better or worse change shows up in our lives and tests what we're made of. There's good change like getting the date or making the team, bad change like divorce or medical diagnosis, and complicated change like switching schools or choosing a healthy break-up. Change brings so many emotions which makes us ask all kinds of questions. Am I strong enough to face this? Is it even worth it to go through this? Can I/should I handle this alone? In this series, students will be challenged to rethink how they view change and we'll explore how God's commitment to us doesn't change, even if everything else does.
